

**Creative art workshops for children TREASURE MAPS ©**

Patricio Alejandro Agüero Mariño: 4 headed Dragon

**Do you like tales of mighty Dragons, enchanted castles, misterious wheels and lost ( and found) treasures?**

**If your answer is yes , then this workshop is made just for you!**

**And just in case you have some great wishes, too... and if you are determined to make them true ...then you should absolutely come...**

**Baćin dvor, enigmatic court of duke Bartol VII from the 14. century wishes you a warm welcome challenging you to embark upon your very own journey to treasure island...**

**Here you can make your own TREASURE MAP© and find out who and what can help you to make your wishes come true...**

**1st workshop: „ I discover the magic of Vrbnik's wheel “; circle as a foundation of everything**

**2nd workshop: „ Croatian fairy tales and legends “; my time machine for making wishes come true!**

**3rd workshop: „ Me - entrepreneur “; magical Glagolitsa: make your own brand / logo !**

**4th workshop: „ My palms tell the stories...“; you are one of a kind!**

**We use high quality, non toxic materials for all artistic activities.**

**Concept/ realization by : Dubravka Buntić, M.A. , visual artist and art therapist**
